news from the univers

NEWSTICKER 5/07

5 July 2019 Jada Alesandra Seidl

The exponential enrichment of the Vortex Sirius (3-7/7) reaches its first peak today. At about 11.00h CEST it was steered to short-term zero (about 90 min), the direct download has begun to initiate (Freedom - Sirius Qualia-)

***Every year in the first week of July - when Sirius Terra is closest (exactly from 3 - 7/7) - a sacred portal of energy is activated to increase consciousness for the entire living races between Gaia and the great galactic airport of Sirius, where increased vibrations and spiritual progress are successfully transmitted with diligent potentiation with direct download (increase of photons Qualia 26/7 and further Vortex portal opening 8/8).

***This weekend the Earthling incarnation rate/birth rate (floating down particularly important evolutionary avatars for Terra) will increase enormously and often be marked by sudden shifts in the awakening processes. Be it through external events or internal bursting of the crystalline photon structure. The accompanying shift in reality changes the perception and the view of the world, the experience of the environment - expanded awareness of creativity and intuition. Supporting and even closer EE Michael (Guardian of the Evolutionary History of Planet Earth) and his Battalion

*** Exhaustion, fatigue indicate the deep-layered download. ***

Organically, it is introduced via the spinal cord (may indicate back of the head or neck pain), flows through both right and left lungs, brings oxygen-rich supply into the ateria and exchanges oxygen-poor blood in the veins. Lymph, spleen, liver, gallbladder, stomach and pancreas are sensitized.

Descending Wandering expression of lumbar vertebrae, sacral vertebrae, hip pain, femoral neck bones, knees and ankles or foot sole pain is noticeable when the vibes ground and anchor in the calyx.

***To stretch the energetic organ Manipura/ Solarplexus as far as possible individually (self-responsibility, thought form, willpower, vitality, balance/balance for holistic recovery of all individuals).....first footprint of the alchemistic IN DIR.

***The current space/time capsule/sphere is the center of the true wonders...with the cosmic challenge of whether we are ready to end all structures that have existed until self-sacrifice of LOVE. ***

***Learn more about your inner universe, the language of your soul by giving free rein to your magical universe for a few minutes, noting the ascending images, words, texts and emotions. ***

Light weekend
