**+++ NEWSTICKER+++**

21 September 2019 Jada Alesandra Seidl

Today the third and most powerful of the very rare Jupiter/Neptune squares becomes exact ( previous 13/1 and 16/6).+++

+++ The shadow dances of the great outer slow planetary movements December 2018/2 to March 2019/3 and from May to October this year always urge you to remember that you still have a lot of inner and outer work to do on your way.+++

+++ One of the biggest summit meetings, at the zenith in increasing the frequency quotient Gaia has experienced so far - September Alchemy Finale-19-23/9+++

+++ Geo- Electromagnetic Fluctuations and Molecular Structure Changes in Atmosphere - Exosphere, Thermosphere, Mesosphere ( Storms/Anomalies in the Ocean of Air, Hydrosphere, Lithosphere, Aquasphere, Biosphere - Seismic Activities) +++

+++ Lyra, the cradle of your matter in the universe, flows Blue Spiral Solitons/Solitary Waves (a self-reinforcing wave packet that keeps the form spiral but constantly expands the speed) Plasma particles that determine this shift more stringent, imposing, accelerated and drastically than anything experienced so far+++

+++ 4.5 trillion star seeds support this process +++

+++ Plejadic light forces are the ushers of every soul, every ego Bin+++

+++ The current journey of experience of all forms of the incarnated is an accumulation of all collected missions so far, in order to carry out corrective cleaning/cleaning work.

Use the consciousness of creation, your creator power, the key of divine geometry for the golden path of your journey home to heaven +++

\*\*\*3-6-6-9\*\*\*21/9 -12 Soul Spirit Body Decision making / setting the course, alignment -

harmonious balance Christ consciousness, unity consciousness, 22/9 Blueprint/ Master module phases end, 23/9 Equinox

+++ Navigation- guiding principle +++

Thoughts are energy in action and create emotional response. Choose your thoughts wisely, they are conversation with the universe.

Your expression-sound/tone in your NOW is yours and the collective karma of tomorrow.
